844 North King Street
Wilmington, DE 19801

RE: '318 Patent Infringement Litigation (consolidated)
C.A. No. 05-536 (SLR)

Dear Ms. Tasson:

I write on behalf of Defendant Barr Laboratories, Inc. During the trial of this matter, Defendants moved to admit DX 651 into evidence and it was so admitted. 5/24/07 Tr. at 1298:10-22. However, during trial it was discovered that DX 651 was missing page 7. The parties have located another copy of DX 651 which has page 7. The document had previously been marked as PX 939. Therefore, the parties would like to substitute PX 939 for the copy of DX 651 that was used at trial. For ease of reference, the parties have agreed to re-stamp PX 939 as DX 651. I have enclosed a copy of the new DX 651 for the trial record.

Thank you for your cooperation.

Respectfully,

JOHN C. PHILLIPS, JR.
